

## HEALTH CARE

*Protect those who protect us*

Doctors, nurses and healthcare professionals are heroes who wear the white coat with dignity and pride, who take honour and privilege to serve the public. Individuals who represents a combination of intellectual and moral interests found in no other profession. Never like in this difficult period, we realised that protecting these heroes means protecting us, our health and our wellbeing.

Examples of articles:

- vests and uniforms
- surgical sheets
- coats
- hospital sheets, jackets and trousers
- underwear, socks and stockings

Benefits provided by RUDOLF's technologies:

- Oil and water repellence (OWR) - superior water and oil repellent finishes that provide medical textiles a barrier to infectious bodily fluids thus protecting medical staff and patients from transmitting diseases
- Hygiene textile finishes - durable control of (odour-causing) bacteria
- Body moisture management – supporting the temperature control and moisture management by finishing
- Restoring safety properties with textile care – industrial laundry application
- Antistatic-finish - high wash durability, prevents the formation of static charge

Technologies:

Finishing

- RUCO-GUARD® C6
- HYGIENE FINISH:
  - SILVERPLUS®
- RUCO-BAC® HSA CONC
- HYDROCOOL®
- RUCO®-STAT
